

Rhythm Power!™

Community Jams & Rhythm Events

"Every time a group of kids or a community sits down and creates rhythmical synergy together, the world is a better place."
Arthur Hull, Drum Circle Spirit

Drumming, singing, dancing, are some of the most dynamic and exciting elements of communities around the world. **Rhythm Power Community Jams!™** are rhythm-based experience that integrate the exhilaration of percussive music making skill with the power of common unity. The experiences offer community members of all ages and abilities the opportunity to come together and make connections through the age-old practice of a rhythm circle. Guaranteed to bring laughter, joy, and satisfaction, the drum jams are purpose driven and expertly facilitated to allow the creative spirit to move, yet keep everyone in the groove.

Bringing Everyone Together

Community Jams are not simply drum jams; the expertise woven into the facilitation calls forth the true spirit in any community and creates the perfect atmosphere for:

- **Celebrations** Igniting the spirit of jubilation
- **Festivals** Unforgettable family fun
- **Reunions** Feel the connection across generations

Everyone contributes, everyone participates, and everyone feels the excitement; every time!

We provide a drum and/or percussion instrument for every participant - from 6 to 600!

Who Facilitates?

Designed by certified educator, national trainer and Remo endorsed Drum Circle Facilitator, **Kenya S. Masala** these programs are facilitated by a team of talented and experienced presenters, whose skills immediately engage participants in an energized groove; they are not only tremendous fun, they are *effective*.
